### BUILDING SOME GOOD ROADS.

W. J. Looney, superintendent of the county convict camp near Rush Springs, was in Chickasha this morning and states that the county prisoners in that camp are doing some fine work in the matter of road building. The force is small, on account of the good behavior of the citizens of the county, but is most efficient, the gontleman says.

## STEAMER IS SEIZED

WASHINGTON, Nov. 1 .- A British prize crew seized the American aground off the coast of Scotland, according to a report to the state department from the American consul at Dundee. No reasons were given for the seizure

It was also reported that the American vessel Hocking was brought into Halifax after being halted by warships off New York. It was stated that de-
